PRICE 2 CENTS.

## \$1000 REWARD

Is offered as a guarantee that neither Dr. Pierce's Favorite Prescription nor

Dr. Pierce's Golden Medical Discovery contains alcohol, opium, or any harmful drug. Any one publishing false statements concerning their ingredients will be prosecuted. Doctor Pierce's Family Remedies are compounds of medicinal principles, scientifically extracted from native roots that cure the diseases for which they are recommended. They are medicines which have enjoyed the public confidence for over a third of a century. They are medicines which, made to satisfy a craving for "boozing,"

"Golden Medical Discovery" regulates and invigorates stomach, liver and bowels, and cures dyspepsia, purifies the blood and tones up the system generally. "Favorite Prescription" cures female weakness, irregularities, exhausting drains, painful periods and kindred ailments peculiar to women. Accept no substitute for these medicines, each of which has a record of marvelous cures. Substitution means selfishness on the part of the dealer who is looking for the greater profit on an inferior article.

"Our daughter who was attending college because very nervous and we were advised to try Dr. Pierce's Favorite Prescription," writes Mrs. M. C. Fox, of 51 E. Leonard St., Grand Rapids, Mich. "We did and then you advised us to get the 'Golden Medical Discovery' also. She took four bottles of the 'Prescription' and three of the 'Golden Medical Discovery,' and you never saw such a change in a person. She said she did not feel like the same person. She was about seventeen years old at the time. I will gladly recommend Dr. Pierce's medicines to every one. I advise parents who have young daughters who suffer from nervous troubles to try Dr. Pierce's Favorite Prescription at once. I am sure it will help them."

**\$50,000 GIVEN AWAY.** In copies of "The People's Common Sense Medical Adviser," a book that sold to the extent of 500,000 copies a few years ago, at \$1.00 a copy. Last year we gave away \$50,000 worth of these invaluable books. This year we shall give away \$50,000 worth of them. Will you share in this benefit? If so, send only 21 one-cent stamps to cover cost of mailing only for book in stiff paper covers, or 31 stamps for cloth-bound. Address: J. R. V. Pierce, Buffalo, N. Y.

## NATURE SPARES

### The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable stone-house - of pleasing reward, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. In stamps for sample to The Herpicide Co., Detroit, Mich.

E. S. Leadbeater & Sons, Special Agents.

## WEAK HEART'S

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand - swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

## Kodol Dyspepsia Cure

digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. Cures indigestion, dyspepsia, Sour Stomach, inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.

After eating, my food would distress me by making my heart palpitate and my head feel very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured. MRS. LORING NICHOLS, Penn. N. Y.

I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and I am cured. D. KAUBLE, Nevada, O.

## Story Told by Julia Smith.

Julia Patterson Smith, sister of Nan Patterson, who, with her husband, J. Morgan Smith, was taken to New York to testify in the famous murder case, gave out a lengthy interview last night in which, after reciting the story of her arrest, she said:

"We did object to being brought back to New York with a lot of baseless charges hanging over us, and if we had not reached an agreement with Mr. Garvan that the conspiracy charge would be the only one, we would have kept up the fight and would be in Cincinnati now."

"My sister is as innocent of the crime charged against her, or of any other crime, as a baby. She would not hurt anyone. The idea of carrying a revolver or any other deadly weapon would have thrown her into a nervous fit."

"She will be acquitted. All the testimony that Morgan and I can give will only help to establish her innocence. There is no doubt in my mind that she will be free in a few weeks, and I am glad I shall be in New York to join in her freedom and vindication with her."

"There has been an immense lot of talk about letters taken from my trunk. Those letters have no more to do with Nan's case than an East Side shop girl's scrawl to her sweetheart would have. They were merely personal correspondence."

"It is unpleasant, of course, to have one's letters exposed to general scrutiny, but, so far as their effect on Nan's case is concerned, I have not the slightest regret that they were taken."

"I shall not regret the Tombs, because Nan and I will be together."

"Now you see there was no mystery about our going away, and we should have been back two weeks ago if we had not been arrested, but it all comes out the same way. So we will be cheerful. The charge against us will fall with the charge against Nan."

"So far as we are concerned, Morgan and I know nothing about the case, and the charge of conspiracy is all rubbish. I really do not know what they mean to do with us, but I suppose they must think we are terribly important to take all this trouble to bring us home."

"But I am glad it is over. It is not pleasant to go hurrying and dodging over the country and feel that you must keep out of sight of everyone to avoid arrest, never knowing whether you are talking to a friend or a detective. Although it came with something of a shock, I can tell you it was a relief when a detective touched me on the shoulder in Cincinnati, just the way they do in the thrilling storybooks we used to read, and told me that I was under arrest."

Speaking of the death of Young, Mrs. Smith said:

"On the day before that terrible day my husband and Nan and I were at the racetrack."

"We were there when it is said the revolver was bought. We knew nothing of it, and could not have had anything to do with it."

"Then came that terrible day. At the time my health was far from good. It was a terrible shock when I heard of Nan's arrest, and on top of that I received word from Washington that our mother was dying."

"I knew that Nan needed me, but I felt that mother needed me more, and I went to her."

"Morgan went with me. He was immediately charged with contempt of court, and we knew that if we came back to New York we should be thrown into the House of Detention and held there until the case was ended. I supposed we would have been there yet."

J. Morgan Smith and his wife will today be arranged before Judge Foster in the Court of General Sessions to answer to the technical indictments charging them with conspiracy. They are expected to be held on this charge, and on Monday next, when the trial of Nan Patterson is renewed, the couple will be called as witnesses for the prosecution.

## New Cure For Cancer.

All surface cancers are now known to be curable by Bucklen's Arnica Salve. Jas. Walters, of Duffield, Va., writes: "I had a cancer on my lip for years, that seemed incurable, till Bucklen's Arnica Salve healed it and now it is perfectly well." Guaranteed cure for skin and burns. 25c at E. S. Leadbeater & Sons' drug store.

## Taking Desperate Chances.

It is true that many contract colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding cold and paves the way for more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cure of colds, can be had for a trifle? For sale by Gibson & Timman and W. F. Freighton & Co.

## Won a Name of Fame.

DeWitt's Little Early Risers, the famous little pills, have been made famous by their certain yet harmless and gentle action upon the bowels and liver. They have no equal for biliousness, constipation, etc. They do not weaken the stomach, grip or make you feel sick. Once used always preferred. They strengthen. Sold by W. F. Freighton & Sons, 924 Queen Street.
